

***BE ALERT* Notifications and Smart911 Profile**

Public Schools of Petoskey Emergency Alerts

The *BE ALERT* Emergency Notification System has received an upgrade! Please register your account today to continue to receive school closing alerts. *BE ALERT* provides accurate, immediate emergency notifications from your local public safety agency to your cell, work or home phone, via text, email or voice message. Receive notifications about emergencies that may affect your home, workplace, child's school, parents' home- anywhere in the Tri-County region of Charlevoix, Cheboygan and Emmet Counties.

School Alerts:

Be notified of school closing and delays or school related emergencies, such as evacuations

Weather:

Opt in for alerts when severe weather hits

Disasters:

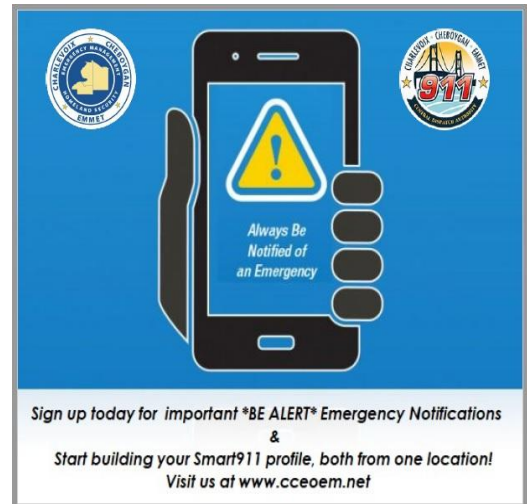

Be Notified when a disaster happens near your registered locations that would require you to *take action*

Traffic:

Get updates on traffic issues such as major road closures or opt in for Mackinaw Bridge closures

General Alerts:

Alerts for the community that are not immediate danger or life threat

Smart911:

When you create a Smart911 profile, you can provide important and helpful information about you and your family that can be readily available to 911 and first responders when seconds count

This information is optional and is only accessible by 911 dispatchers when you call from a registered number

You can register at smart911.com, use the QR code, or visit Emergency Management's website and check out the emergency preparedness information while you're there!
