## Supplies Wishlist

**Kleenex &  
Clorox Wipes**

**Note:** You'll notice our supplies wish list is rather small. This is because your child's supplies, necessary for their success in 7th grade, will be purchased by the Public Schools of Petoskey. If you would like to help restock our hallway supply closet with Kleenex and/or Clorox Wipes, your child's homeroom teacher will gladly accept the donation! Thank you for your support!

PUBLIC SCHOOLS OF PETOSKEY

**Dear Future 7th Grade Families,**

We are so excited to welcome all 7th grade students to the hallway next year! This upcoming school year promises to be both exciting and enriching, and as students transition from 6th grade, we want to reassure you that we are here to support both families and students every step of the way.

Seventh grade is a time of growth, new learning experiences, and opportunities for your child to discover their interests and passions. Students will continue to explore familiar subjects—Math, English, Science, and Social Studies—and will also have the chance to engage in exciting elective courses. To keep your family updated on additional educational and extracurricular opportunities beyond the classroom, we plan to send monthly homeroom updates, as well as progress reports each marking period. Please make sure your email address is up to date with the Middle School office to ensure you don't miss any important information. Your child's teachers and the entire Petoskey Middle School staff are committed to helping them succeed both academically and personally!

In the 7th grade hallway, students are expected to take responsibility for their actions and follow our Full Value Agreement. This agreement encourages teamwork, emotional and physical safety, and open communication. By embracing these values, we can create an environment where all students can have a productive and enjoyable year.

There are also many fun activities your child can look forward to, including climbing at Camp Daggett in the fall, swimming at Avalanche Bay in the winter, fun classroom games, and rewards, as well as learning from a team of teachers who love collaborating and working together! We're excited for a fantastic year starting in September.

**Sincerely,**

The 7<sup>th</sup> Grade Team
