

Emmet County Master Plan Community Survey

Emmet County is updating our Master Plan, a long-term policy document that provides a vision for how the County will look, feel, and develop over the next 5-10 years. The plan will set goals related to housing, urban development, rural conservation, street/pathway design, and more.

To begin the planning process, Emmet County has released a community survey to better understand residents' priorities for the plan to address. You may have already heard of the survey, or completed it (thank you). If you haven't, we'd love to hear from you.

Survey Link: <https://www.surveymonkey.com/r/EmmetPlan2025>

The survey is open now through September 21st. We hope you'll participate, and encourage your friends/family to take it too.

Emmet County Master Plan Community Open Houses

Emmet County is hosting three community open houses in October to inform the current update to the Emmet County Master Plan. Come engage with your community, enjoy light refreshments, and enter drawings for Emmet County prizes!

Each event will be family-friendly and offer the same open house format—so stop in where and when is most convenient for you:

- **Wednesday, October 8 – 5 P.M. to 7 P.M.**
[McKinley Township Hall](#), 1820 N US 31 Hwy, Pellston
- **Thursday, October 9 – 5 P.M. to 7 P.M.**
[Readmond Township Hall](#), 6034 Wormwood Ln, Harbor Springs
- **Saturday, October 11 – 10 A.M. to 12 P.M.**
[North Central Michigan College Library](#) Conference Rm, 1515 Howard St, Petoskey

The open houses will build on the community survey results ([survey open now](#)) including feedback on the following Master Plan topics:

- What to preserve, enhance, and transform in Emmet County
- Housing: who needs what, what should it look like, and where should it go
- Transportation system improvements
- And more!

Attendees will be asked to write/share their feedback at stations around the room to gather your ideas in response to specific prompts. Numerous project team members will be on hand to listen to/support you.

RSVPs are encouraged but are not required to attend. RSVP at this link: <https://www.surveymonkey.com/r/EmmetRSVP>.

PS: ***Have you taken the community survey yet?*** It is open until September 21—take it at <https://www.surveymonkey.com/r/EmmetPlan2025>.
