Water & Wonder (Grades 1-3) **Wednesday - Friday, July 23 - 25** **10:00 AM - 3:00 PM**

Campers will be immersed in the natural beauty of our local community through joyful exploration and endless discovery! We'll be exploring several water features such as ponds, creeks and rivers: figuring out where they come from, who lives in them (big and small) and what fun can be found around them.

Wilderness & Wonder (Grades 4-6) **Monday - Wednesday, August 4 - 6** **10:00 AM - 3:00 PM**

This wilderness survival themed camp is designed especially for kids who love to explore, discover, and learn hands-on skills in nature. We'll be covering a variety of basic skills and concepts needed in a wilderness survival situation. From shelters to solar stills, to plant identification and fishing. This camp is sure to give your young explorer a fun & educational experience!
